TERMS OF USE:
On May 3, 2016, the Greater Kansas City EMDRIA Regional Network Committee began the compilation of the information in this Directory by contacting the EMDR therapists in our Network. The therapists listed below have self-reported their information including meeting of the criteria for EMDRIA Trained Therapist, EMDRIA Certified Therapist, EMDRIA Approved Consultant in Training, or EMDRIA Approved Consultant. To learn more about the differences between these credentials, click here.

The selection of a therapist is a personal and individual matter. The Greater Kansas City EMDRIA Regional Network cannot make assurances that the qualifications of any individual practitioner or the services of any individual practitioner would be suitable for the needs of a particular individual. Once you have compiled a list of therapists in your area, you are advised to call and interview several over the phone to determine which one is best suited to you and your concerns.

EMDRIA Certified Therapist

EMDRIA Certified Therapists are licensed mental health professionals who have a minimum of two years of experience in their field. They have completed an EMDRIA approved EMDR Basic Training, conducted a minimum of fifty clinical sessions in which EMDR was utilized, and received twenty hours of consultation in EMDR by an Approved Consultant. In order to maintain their EMDRIA Certification status, these clinicians must maintain their mental health license and complete 12 hours of continuing education in EMDR every two years.
